4. <u>ARADO WERKE</u> Rathenow

On 11 Aug 58 the ARADO Werke was handed over to the East German Government. Dr. August KRUMREY took over officially from the Russians. The Russian troops previously stationed at the ARADO Werke returned to barracks in RATHENOW.

- On 12 Aug 58 a visit by officials from POTSDAM was made to the Works. Russian officers were amongst the German officials on this occasion.
- 6. Building construction continues at the Works. A large accommodation block of three stories, approximately 40 metres long, is nearly completed. Roughly ten semi-detached family houses are also being built.

 11-28
- 7. On 16 Aug 58 a BEAGLE aircraft took off from the short landing strip to the east of the workshop buildings.
- 8. <u>V.E.B. OPTIK. RATHENOW</u>

The barrels being produced at Workshop No. 4 have two lenses fitted in each barrel. At each end there is a screw joint, approximately 80 cms. from the end. At these two joins the lenses are fitted. The lenses are sent from JENA in rough form. They are polished and fitted at Workshop No. 4.

9. The Russian personnel in charge of the workshop are all military.
